New Pastoral Communities

Back in January the Diocese launched a consultation on how parishes might best work together in the future. Bishop Treanor, supported by the Living Church Office received feedback from groups and individuals across the diocese. The consultation closed with four regional meetings. Now, the Bishop is announcing the makeup of the 13 new Pastoral Communities. Please take a copy of the document which is available as you leave the church, or read it on the diocesan/parish websites.

Castle Community Centre,

are urgently in need of funds to install a new heating system in their hall, as the present system is not working, A new system needs to be up and running prior to September 2015. The Castle Community Centre committee, along with representatives of the Castle Community Centre, our scouts, and other groups presently occupying the hall are planning a sponsored walk on Monday evening the 15 of June at 7.00pm, and we are making an appeal for Walkers. Please help us by taking a sponsorship form next weekend, collecting some sponsorship, walking with us, and then returning for refreshments. We are delighted that Fr O'Brien has already agreed to walk, so if any parishioner feels unable to take part they may wish to sponsor him. Sponsorship forms will be available at all masses next weekend, so please take one and help us raise our target.

The total collected for Lourdes Associate Membership achieved £1120 which is the best ever. Thank you very much for your support.
