Welcome the Stranger

Loving others is a spiritual force drawing us to union with God; indeed one who does not love others "walks in the darkness (1 Jn2:11) "remains in death" (1 Jn3:14) and "does not know God" (1 Jn4:8). Pope Benedict XVI has said that "closing our eyes to our neighbour also blinds us to God," and that love is, in the end, the only light which "can always illuminate a world grown dim and give us the courage needed to keep living and working."
